

Container Seals & Industries

Corporate Brochure

We are one of the distinguished manufacturers and suppliers of Security Seals and Corner Castings from India. Our extensive product line is acknowledged for features like high tensile strength, variable usability, reliability and ease of usage.

Container Seals & Industries

- Profile -

Established in the year 1983, our organization, 'Container Seals & Industries' operates as a partnership firm. We are engaged in manufacturing and supplying Security Seals and Corner Castings. Our extensive product line comprises different kinds of bullet seals, cable seals and plastic conticare pull tight seals and other products for containers. These high quality products are used for preventing adulteration, tampering and pilferage. By using high quality raw material, we manufacture these products as per the industry standards. Our professionals can offer customized logos and unique identification serial numbers can also be printed. With the continuous support of our robust infrastructure, we are able to satisfy the exceeding demands of our clients. Once the orders are prepared, these are timely delivered to the clients. Some of our reputed clients operate in ship lining, transport & logistics, banks, cargo and other commercial sectors. Our mentor, 'Mr. Azmath Basha' has years of experience. His vast industry knowledge and business skills have guided us through tough times and helped us in meeting the industry challenges head on.

Container Seals & Industries

Container Seals:

Lots of buyers are approaching us for our premium range of container seals. We use high grade material and state of the art technology for manufacturing a wide range in different shapes, sizes and color combinations. These high performance container seals are recommended for their one time lock (OTL) feature.
